Limited License.

Texas Instruments Incorporated grants a world-wide, royalty-free,
non-exclusive license under copyrights and patents it now or hereafter
owns or controls to make, have made, use, import, offer to sell and sell
("Utilize") this software subject to the terms herein. With respect to the
foregoing patent license, such license is granted solely to the extent that
any such patent is necessary to Utilize the software alone. The patent
license shall not apply to any combinations which include this software,
other than combinations with devices manufactured by or for TI ("TI
Devices"). No hardware patent is licensed hereunder.

(if applicable) source code license limitations below) in the documentation
and/or other materials provided with the distribution.

Redistribution and use in binary form, without modification, are permitted
provided that the following conditions are met:

* No reverse engineering, decompilation, or disassembly of this software
  is permitted with respect to any software provided in binary form.
* Any redistribution and use are licensed by TI for use only with TI Devices.
* Nothing shall obligate TI to provide you with source code for the software
  licensed and provided to you in object code.

If software source code is provided to you, modification and redistribution
of the source code are permitted provided that the following conditions are
met:

* Any redistribution and use of the source code, including any resulting
  derivative works, are licensed by TI for use only with TI Devices.
* Any redistribution and use of any object code compiled from the source
  code and any resulting derivative works, are licensed by TI for use
  only with TI Devices.
